

## Ognisko jesienne 2017

2017.10.09

Grzybiarzy tak wielu do lasu przybędzie,  
Że borowik długo w lesie rósł nie będzie.  
Gdy nie spotkasz w lesie pięknych borowików,  
Inne grzyby trafiają do twoich koszyków.

Na pożegnanie lata i powitanie jesieni, w dniu 27 września 2017 roku, seniorzy z Klubu Seniora „Janowiacy”, zorganizowali ognisko połączone z grzybobraniem. Las w tym roku szczególnie obficie obdarzył nas wysypem grzybów, a więc i nasze spotkanie było udane.

Był to jeden z pięknych, słonecznych, jesiennych dni, a więc warto było go wykorzystać. Po grzybobraniu upieczone na ognisku kiełbaski i boczek smakowały jak nigdy. Kolorowe, jesiennie otoczenie altany, przy Nadleśnictwie, dodawało uroku i pobudzało do refleksji nad przeżyтыми dniami wiosny i lata, oraz nadeszłą jesienią życia, każdego z nas.

„ Gdy nadchodzi jesień życia,  
Jego wiosna wciąż trwa w sercach”

Każda pora roku i okres życia ma swoje uroki, trzeba je dostrzegać i zachowywać w pamięci.
